About

Born and raised on the Jersey Shore, I am a designer with a passion for finding creative solutions. Bringing brands' stories to life through all aspects of my work, I am always looking for the next project to ignite my inspiration.

Experience

FCB Health - Senior Art Director

December 2018 - Present

- Concepted a campaign to spread awareness about early MS Diagnosis; designed corresponding microsite for DTC
- Worked on numerous print and digital projects across the QBREXZA brand; including social videos, animations, and print ads
- Created all social content for the launch of the Kesimpta brand

FCB Health - Art Director

January 2017 - December 2018

- Launched the creative re-brand for Odomzo; managed all print and digital content across the brand
- Launched the creative campaign of Symtuza; managed all print and digital content across the brand
- Worked on the design refresh of Spiriva; ideated data visualization and campaign layout
- Managed all print and digital work under the Gilenya Brand (on-going)

FCB Health - Junior Art Director

December 2016 - 2017

- Created a series of branded recipe videos for Xermelo
- Created an internal campaign for all Amgen Oncology employees
- Managed all print and digital projects for the brand Prescobix

Harrison And Star - Art Apprentice

May 2016 - October 2016

- Worked across several creative teams managing a number of print and digital jobs
- Participated in a number of pitches to win new business
